

# Classroom Tools

ID	1
Name/Producer	ACECAD Solid Tek - acecaddigital.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	ODM/OEM input device and consumer electronic accessories
Technology Applied	Bluetooth digital notepad, ACECAD Digital Corp - keyboard products
Notable Benefits	PenPaper digitally captures everything you write or draw to iPad, iPhone in real time via bluetooth. Also supports ink tools in MS Office or Adobe Photoshop.

ID	2
Name/Producer	American Time Integrated Solutions - american-time.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Clock systems and replacement parts
Technology Applied	Wireless solutions for extending clock systems and programming their bell schedules
Notable Benefits	Save time and money with an accurate clock system, and have consistent clock appearance.

ID	3
Name/Producer	Amplify - amplify.com
Age/Grade Level	Grades Pre - K, K - 8
Academic Subject(s)	Not applicable
Description	Curriculum, games, assessments, and services
Technology Applied	Amplify CKLA, ELA, Science, CKLA Skills, Fractions, Reading, mCLASS, mCLASS Invervention, and mCLASS Math
Notable Benefits	Personalized learning, and customized implementation of new technologies, content, and standards; provides support through implementation and beyond.

ID	4
Name/Producer	AmpliVox Sound Systems - ampli.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Leading US manufacturer of portable sound systems, lecterns, and multimedia workstations
Technology Applied	PA systems, Lecterns & podiums, Multimedia & ADA, Microphones & accessories, and other resources
Notable Benefits	Goal is to provide top quality professional presentation equipment that sets up easily, delivers perfect performance and stands the test of time for realibility and durability.

ID	5
Name/Producer	Anywhere Cart - anywherecart.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Device storage classroom solutions
Technology Applied	Charging stations and accessories, including headsets, padlocks, chairs, accessories for iPads, Chromebooks and panel stand/carts
Notable Benefits	Device-neutral with innovative features; well-built, priced lower than competition and very well received by school districts.

ID	6
Name/Producer	Audio Enhancement - audioenhancement.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Sound augmentation system designed for classrooms
Technology Applied	Audio, instructional, and safety devices; Intercom paging and bellstool
Notable Benefits	All students perform better with sound amplification; gives students a voice, keeps them involved, and provides a cure for 'teacher voice'.

ID	7
Name/Producer	Aver Information, Inc. - <a href="http://averusa.com/education">averusa.com/education</a>
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Classroom technology, video collaboration, security equipment, software, and video conferencing
Technology Applied	Interactive flat panels, charging solutions; flexarm, mechanical and USB document cameras, and software
Notable Benefits	Create the modern classroom with visual collaboration solutions to accelerate learning, improve security, and help people connect

ID	8
Name/Producer	Belkin International, Inc. - belkinbusiness.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Wireless products and classroom accessories
Technology Applied	Cables & adapters, power & charging, mobile accessories, in-car collection, smartwatch accessories, cases & armbands, USB-C accessories, tablet keyboards & cases, computer accessories, screen protection, lighting accessories, networking, HDMI & audio, bestsellers
Notable Benefits	Easily find the right products and cybersecurity options.

ID	9
Name/Producer	BenQ America - <a href="http://benq.us/microsite/education">benq.us/microsite/education</a>
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Smart classroom products and services
Technology Applied	Education projectors, monitors, flat-panels, and DLP Technology
Notable Benefits	Collaboration made simpler, projection made easier, innovation made seamless, and energy insured savings

ID	10
Name/Producer	Best Buy Education and Government - <a href="http://bbfb.com/education">bbfb.com/education</a>
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Student BYODs, displays, furniture, eRate, and networking services
Technology Applied	TV & home theater, computers & tablets, cameras & camcoders, cell phones, audio, video games, movies & music, car electronics, and GPS, wearable technology, health and fitness, office furniture, drones and toys
Notable Benefits	Product and service solutions to meet needs and budget; brings future-ready tech into classrooms and STEM labs.

ID	11
Name/Producer	Blackboard Inc. - blackboard.com/k12
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	New learning platform of software, services and integrations
Technology Applied	Blackboard classroom, web community manager, mobile communications app, mass notifications, teacher communication, social media manager, personalized and mobile learning
Notable Benefits	Bring teachers, parents, and students together to improve achievement and keep community informed and support new modes of learning.

ID	12
Name/Producer	Bold Guidance - schooland collegelistings.com
Age/Grade Level	Grades 9 - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Mobile and computer app that simplifies applying to college
Technology Applied	Interactive checklists specific to each college's application, and allows counselors and parents to view progress
Notable Benefits	Makes the college application process less stressful and more efficient for everyone.

ID	13
Name/Producer	Bretford Manufacturing - bretford.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Solutions to secure, manage and power mobile users
Technology Applied	Charging carts, charging stations, & trays, charging lockers, juice mobile power, and AV carts, mounts & stands
Notable Benefits	First to introduce the mobile and intelligent power-managing cart; supports the latest advances in mobile devices.

ID	14
Name/Producer	Camcor - <a href="http://camcor.com/dept/educational.html">camcor.com/dept/educational.html</a>
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Educational technology products for classrooms
Technology Applied	For digital classrooms, mobile classrooms, project screens, STEAM, professional development, visual products, computers & printers, multi-media carts, knowledge guides, and more.
Notable Benefits	Dedicated to making sure schools are armed with the technology and innovations needed to help students make an impact in the world; consulting expertise available.

ID	15
Name/Producer	Canvas - canvas.psu.edu
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Online system for teaching and learning (LMS)
Technology Applied	Request a course space, set-up a new course, organize content & student groups, and create quizzes and assignments.
Notable Benefits	Penn State's online system for teaching and learning; provides training topics on-demand for people who want to learn more about using this LMS.

ID	16
Name/Producer	Cattura Video, LLC - catturavideo.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	All-in-one recording, streaming and video devices for webcasting
Technology Applied	Lecture and do-it-yourself capture recorders, capture management for LMS integration, Kaltura & Panopto integration
Notable Benefits	DIY recorder solutions save money and prevent waste; organize and deliver video directly inside your LMS.

ID	17
Name/Producer	Cetacea Sound Corp. - cetaceasound.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Classroom speakers and microphones
Technology Applied	Voice applications, ceiling speakers, desktop speakers, microphones, and accessories
Notable Benefits	Provides acoustic clarity across the vocal range that can be accomplished with high definition sound.

ID	18
Name/Producer	CDI Technologies - cditechnologies.com
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Microsoft-based personalized learning devices and apps
Technology Applied	Personalized learning devices, charging solutions, interactive displays, Microsoft 365 education, Impero software, device customization, logistics; also has learning software, VR kits, 3D printer, and Photon Robot.
Notable Benefits	Microsoft Education empowers better learning outcomes for all students, helps teachers make the most of classroom time, and enables schools to make the most of their budgets.

ID	19
Name/Producer	Clear Touch Interactive - getcleartouch.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Smart, interactive panels
Technology Applied	Hub of classroom; access to mobile apps, device mirroring, and wireless connectivity
Notable Benefits	20 simultaneous points of touch that lets everyone get involved. All designed to get people collaborating quickly in real-time.

ID	20
Name/Producer	Clevertouch - clevertouch.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Smartboards and accessories
Technology Applied	Comes with enhanced stylus capability; share content of up to 4 devices to the screen and all content can be shared back to a maximum of 50 devices
Notable Benefits	Contains access to hundreds of apps that can be filtered by age, subject and language to engage students in immersive learning.

ID	21
Name/Producer	COMPanion - companioncorp.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Library automation, asset inventory, and visitor management software
Technology Applied	Manages catalog, search collection; also has software security and textbook tracker
Notable Benefits	Provides modern library automation; improves safety of students/staff members, and verifies number of textbooks per student

ID	22
Name/Producer	Compernicus Educational Products - copernicused.com
Age/Grade Level	Grades Pre - K, K - 8
Academic Subject(s)	Not applicable
Description	Classroom ready accessories
Technology Applied	Reading/writing centers, interactive teaching easels, whiteboard & flatpanel carts, inspiration stations, STEM/STREAM lab & makerspace, arts & crafts and early childhood direct sensory products
Notable Benefits	Products only developed based on identified classroom needs, and then tested in real classrooms.

ID	23
Name/Producer	Curb Smart - curbsmart.com
Age/Grade Level	Grades K - 8
Academic Subject(s)	Not applicable
Description	Software to simplify the school car-line
Technology Applied	For parents, eases frustration and saves time; for schools, simplifies and streamlines the release process.
Notable Benefits	Calms daily chaos.

ID	24
Name/Producer	Custom Educational Furnishings - cefinc.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Custom Educational Classroom Furnishings
Technology Applied	Makerspace furniture, The Ed tables, Multi-purpose carts, and Charging carts
Notable Benefits	Produces technology furniture for the classroom that accommodates specific needs; is affordable and built with quality.

ID	25
Name/Producer	Cyber Acoustics - cyberacoustics.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Audio equipment and accessories
Technology Applied	Speakers, Headsets/Headphones, Mics, Cases, and Support
Notable Benefits	Today's audio for today's technology; an audio line with the latest in styling and optimized sound characteristics at a price that truly astounds.

ID	26
Name/Producer	Digital Edge - digitaledge.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Provides competitively bid contracts
Technology Applied	Interactive flat panels, 3-D products, virtual reality products, televisions, ed Tech, Chromebooks, charging carts/sorage, audio-visual equipment, school safety solutions, laptops, tablets, classroom amplification, and STEM/STEAM tools
Notable Benefits	Purchasing power for 21st century schools

ID	27
Name/Producer	Doceri by SP Controls - doceri.com
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	One remote to easily control all devices in the classroom
Technology Applied	Device app for drawing, hand-written presentations, presentations, graphics, animation, audio/video screencasts and flipped classroom.
Notable Benefits	Has revolutionized audiovisual control technology with an innovative, easy-to-use, and inexpensive product for classrooms and conference rooms.

ID	28
Name/Producer	Drawp for School - drawpforschool.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	All-in-one platform for creation, collaboration, content and workflow management
Technology Applied	Upload assignments, review work, and assign grades in a paperless method; rich design tools, swipe-to-share collaboration, and cloud storage
Notable Benefits	Lets students receive assignments, complete work, and see their grades; has effective save and secure cloud storage for achieving.

ID	29
Name/Producer	DreamGEAR LLC - dreamgear.net
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Gaming products and accessories
Technology Applied	Player's kit for Xbox One, Comfort grip twin pack for Xbox One, Comfort grip twin pack for PS4, GRX-340 for Xbox One, Comfort Grip for Nintendo switch, starter kit for nintendo switch, essentials bundle, and player's kit for PS4
Notable Benefits	Shop by type of item, or by platform (such as Nintendo, Xbox, PlayStation, Universal).

ID	30
Name/Producer	DyKnow - dyknow.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Classroom management software for teachers
Technology Applied	Tool to monitor Chromebooks, PCs, and MacBooks from a single teacher interface to make sure that students are on task
Notable Benefits	Confidently gives visibility into student devices and defeats distractions; helps improve teacher confidence in their school's student device program.

ID	31
Name/Producer	Edmentum - edmentum.com
Age/Grade Level	Grades K - 12, Alternative/homeschool
Academic Subject(s)	Not applicable
Description	Online learning platform for educators
Technology Applied	Supports virtual learning and ensures students learn through a combination of curriculum, assessment, practice, and educational services.
Notable Benefits	Makes sure that rigor, simplicity and innovation drive how curriculum, assessment and services are driven. Provides support through a wide variety of programs to make personalized learning an achievable reality.

ID	32
Name/Producer	Edmondo - edmondo.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Online communications hub to send messages, share class materials, and make learning accessible anywhere
Technology Applied	Connects students, teachers and parents; can be integrated with Google Apps for Education, Microsoft OneNote, and Office.
Notable Benefits	Provides a platform for complete control over digital classroom, (assignments, due dates, classroom announcements, events, set up reminders).

ID	33
Name/Producer	ELB Education - elbeducation.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Whiteboards, furniture and accessories
Technology Applied	Interactive solutions, collorations solutions, visual solutions, AV integrated solutions, Furniture solutions, and personal devices
Notable Benefits	Provides innovative products to the education sector to enhance their educational outcomes through the use of technology and furniture; also provides free curriculum resources, quality professional development and international support networks.

ID	34
Name/Producer	ELMO USA Corp. - elmousa.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Classroom technology solutions
Technology Applied	Document cameras, wireless solutions, classroom carts, parts & accessories, hubble space, projectors, bundles, and refurbished products
Notable Benefits	Has been catering to the Ed market for over 45 years; has combined years of knowledge and research to manufacture the best technology products.

ID	35
Name/Producer	Ensemble Video - ensemblevideo.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Video content management, workflows and diverse media
Technology Applied	Ensemble Video, Anthem and Studio are used to capture, manage, play; has deployment options and media workflows
Notable Benefits	Use for flipped classrooms, morning announcements, teacher screencasts, student assignments, district YouTube, teacher demonstrations, live district events, and board meetings.

ID	36
Name/Producer	Epson America - <a href="http://epson.com/education">epson.com/education</a>
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Suite of products, resources and special pricing for education markets
Technology Applied	Education projectors, Brightlink interactive projectors, classroom projectors, large room projectors, large venue projectors, ultra-portable projectors, document cameras, and apps and software tools to help teachers create high-impact, interactive lessons
Notable Benefits	Supports every child's learning experience with dynamic, easy-to-use imaging technology that encourages participation and engages viewers.

ID	37
Name/Producer	Ergotron - ergotron.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Furniture and mounts for classroom technology
Technology Applied	Standing desks, mounts, charging systems, workstations, mobile carts, accessories and services
Notable Benefits	Uses movement to remove constraints from how people create, collaborate and work with technology; relies on ergonomic principles and user-centered designs to build kineticwork environments.

ID	38
Name/Producer	ETR - Educational Technology Resources, Inc. - etr-usa.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Full-featured media delivery system
Technology Applied	Support for everything from VCRs to modern IPTV and video on demand systems
Notable Benefits	Based on open technologies to ensure a flexible and manageable system that integrates with school's network; can be used on any device from desktop computers to mobile devices.

ID	39
Name/Producer	Extreme Networks, Inc. - extremenetworks.com
Age/Grade Level	Grades 6 - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Open, software-driven educational networking solutions
Technology Applied	Smart OmniEdge, automated campus, agile data center; use for online testing, virtual and augmented reality, STEM and robotics, flipped classrooms,
Notable Benefits	Allows schools to remain agile, adaptive and secure while improving learning outcomes. More than 17,000 schools and 4,500 campuses worldwide rely on these autonomous networks.

ID	40
Name/Producer	Focus Eduvation - focuseduvation .com
Age/Grade Level	Grades 9 - 12, Higher Ed, Adult, Alternative/homeschool
Academic Subject(s)	Not applicable
Description	Custom e-Learning solutions provider
Technology Applied	Custom online course development, personalized and adaptive learning, course content enhancements, and Flash to HTML5 conversion; creates assessments, content, graphics, animation, and engaging e-Learning modules
Notable Benefits	Takes real-world examples and converts them into stimulating and engaging learning experiences; reviews ideas and then fine-tunes ideas and hands over to animators and designers.

ID	41
Name/Producer	FreshGrade - freshgrade.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	A learning network for schools & districts
Technology Applied	Provide lesson planning and activities standards; digital portfolios to bring student work to life, communication for realtime insights, and gradebook to successfully evaluate.
Notable Benefits	Simple, powerful, and flexible tools to save time.

ID	42
Name/Producer	Frontrow - frontrow.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Quick video capture & fast recording (hangs like necklace)
Technology Applied	Pair with phone for expanded usability; supports live streaming to web's most popular platforms (YouTube, Facebook)
Notable Benefits	Release your hands and look at the world from different perspectives.

ID	43
Name/Producer	Galaxy Next Generation, Inc. - galaxynext.us
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Technology for the classroom of today
Technology Applied	Interactive panels, collaboration devices, panel accessories, integrated PCs; also provides Ximbus & Oktopus software, and training & services
Notable Benefits	Not just another tech provider; working hand-in-hand with educators to help them evolve teaching and learning in a connected classroom; leverages digital content, learning data, and one-on-one technologies.

ID	44
Name/Producer	GoClass - goclass.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Teaching and learning website
Technology Applied	Instructor dashboard, skill assessment reporting, small group instruction, flipped classroom; insightful dashboards provide a view of both student & class activity including skills progress, and upcoming assignments
Notable Benefits	Create, edit and manage lesson plans through a website, using a show-explain-ask framework for adding images, videos, teacher notes and assessments.

ID	45
Name/Producer	Google for Education - google.com/edu
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Devices, productivity tools, classroom tech, expeditions, and additional products
Technology Applied	Chromebooks, docs/Gmail, mission control for teachers/students, virtual reality field trips, cloud/chrome browsers, and more
Notable Benefits	20 million students and teachers are using Google Classroom.

ID	46
Name/Producer	Hapara, Inc., - hapara.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Cloud-based learning suite
Technology Applied	Provides self paced lessons on how to use Hapara in the classroom; also can find regional groups for specific job roles, and help on a digital learning journey.
Notable Benefits	Provides visibility of learner work, differentiation to individualize learning with varying assignments, safety to view learner browsing activity, and insight into teaching and learning.

ID	47
Name/Producer	Illuminate Education - illuminateed.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Integrated K-12 technology systems to increase student achievement
Technology Applied	Resources in assessment, data visualization, MTSS, and Learning & development
Notable Benefits	Innovative tools that bridge the gap between assessment, content and data analytics, and with all data available within a single platform. Teachers can assess learning and deliver personalized instruction while district leaders can gain a holistic view of

ID	48
Name/Producer	IPEVO, Inc. - ipevo.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Makes versatile technology teaching tools
Technology Applied	Document Cameras including dual mode, wireless options, and entry mode; Interactive Whiteboard Systems including IW2 wireless interactive, IS-01 interactive, and IP-1 interactive pen for IW series
Notable Benefits	Simple, affordable, powerful; allows educators to do more for less, so precious time and resources can be wholly dedicated to teaching.

ID	49
Name/Producer	Istation - istation.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Powerful intervention and instruction for blended learning
Technology Applied	Formative assessments, adaptive curriculum, personalized data profiles, teacher resources, school-to-home connection, and professional development
Notable Benefits	User personalized data to improve student achievement; provides direct correlation between use and level growth.

ID	50
Name/Producer	itslearning, inc. - itslearning.net
Age/Grade Level	Grades K - 12, Alternative/homeschool
Academic Subject(s)	Not applicable
Description	Learning Management System software
Technology Applied	LMS implementation and execution, integration by connecting to publisher content, creating a hub for content management, and providing customized professional development
Notable Benefits	Allows for learning in individual ways, at school, at home, or on the go; parents have 100% visibility on grades, lesson plans, and more; teachers give students a voice & choice

ID	51
Name/Producer	JAR Systems - jar-systems.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Charging & securing devices made simple
Technology Applied	Intelligent carts ( for up to 30 or 40 Chromebooks), enhanced management & network carts (fully managed with KVM, network switch and cabling, and intelligent charging up to 30 notebooks), versatile charging stations (for up to 16 Chromebooks, tablets, or eReaders, and universal USB-C dock), and intelligent charging system module
Notable Benefits	Get paired with the best solution; the device market changes so quickly, but a knowledgeable team can help you keep up.

ID	52
Name/Producer	Kiddom - kiddom.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	A centralized hub for teaching & learning
Technology Applied	Solutions include managing curriculum, personalizing learning, receiving early warnings, and using digital curriculum
Notable Benefits	Tools for curriculum instruction and assessment all in one place; align curriculum with student performance data and receive real-time early warnings.

ID	53
Name/Producer	Konica Minolta Business Solutions - kmbs.konicaminolta.us
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Education management systems
Technology Applied	Collaborative K - 12 digital classroom tools, higher education services, library services, in-plant reprographics centers, 3D printers, security, mobility, and print management
Notable Benefits	Helps empower students to become producers of content and products, facilitating the idea of entrepreneurship and providing new opportunities to enhance project, problem, design, inquiry and challenge-based learning.

ID	54
Name/Producer	Kore Stool - koresstool.com
Age/Grade Level	Grades K - 8
Academic Subject(s)	Not applicable
Description	Wobble stool for active sitting
Technology Applied	Stools for floor wobble (young kids), kids, teen/college, adults, and office
Notable Benefits	Creates a better life & work environment; design allows a rocking motion when sitting, and encourages the body to move, which will strengthen the core muscles with daily use.

ID	55
Name/Producer	LearnPad - learnpad.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Collaborative classroom tools to enhance and simplify classroom technology
Technology Applied	Workbook (cart) standard for class set of 16, Workbook (cart) premium for class set of 16, Decimo school pack of 8, Workbook protective wireless charging case, workbook doc-&-go detachable keyboard, Workbook active stylus, and Workbook school tablet 10.1"
Notable Benefits	Tools to simplify the use and control of tablets in the classroom; helps teachers deliver engaging lessons, and provides an easy way to manage the distribution and sharing of classwork.

ID	56
Name/Producer	LearnPlatform - learnplatform.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Educational technology platform
Technology Applied	EdTech Management, EdTech Effectiveness Framework, and Providers
Notable Benefits	Mission is to expand equitable access for all students to teaching and educational technology that works.

ID	57
Name/Producer	Lite the Nite Technologies - lnttechnologies.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Interactive flatscreen panels & accessories
Technology Applied	Options include Ultra-HD lite touch interactive, touchscreens, wireless casting, collaboration, and voice amplification
Notable Benefits	Assists you in designing & implementing a cutting edge multimedia solution; creates an atmosphere of clear communication & participation.

ID	58
Name/Producer	Lumens Integration, Inc. - av.iq.com
Age/Grade Level	Grades 9 - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Professional AV, residential, production & video products
Technology Applied	Document cameras, videoconferencing cameras, 4K & full HD PTZ cameras, and a lecture capture system
Notable Benefits	Cameras can be easily set up with 4K and full HD images in 1080p/60fps; is preferred among instructors who teach in a 1:1 learning environment.

ID	59
Name/Producer	MasteryConnect - masteryconnect.com
Age/Grade Level	Grades 6 - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Mastery learning tools
Technology Applied	Mastery tracking of State and Common Core standards. Pin and upload resources for standards, and share assessments in a global community; use time-saving grading tools for tablets, mobile devices, and web browser.
Notable Benefits	Mastery learning made simple; identify levels of understanding, target students for intervention and improve learning and instruction.

ID	60
Name/Producer	MicroK12 - microk12.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Specializes in technology for schools
Technology Applied	Projectors, interactive whiteboards, document cameras, computers, and laptops
Notable Benefits	Premier computer & audio-visual retailer for schools and education since 1982

ID	61
Name/Producer	Microsoft Corporation - microsoft.com/education
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Technology products and services to empower every student
Technology Applied	Courses & resources, badges, points & certifications, Skype in the classroom; find, create & share lessons, and connect with educators.
Notable Benefits	Use Office 365 for education for a single, simple, and affordable solution for education; learn to code, provide STEM lessons and other hand-on activities; set up a OneNote class notebook.

ID	62
Name/Producer	Mimio Boxlight - mimio.boxlight.com
Age/Grade Level	Grades K - 12, Higher Ed
Academic Subject(s)	Not applicable
Description	Classroom technology products and solutions
Technology Applied	Tools for whole-class learning, collaborative learning, assessment for learning, and STEM learning
Notable Benefits	Improve learning and engagement in the classroom. Helps educators enhance student outcomes and build essential skills; also helps educators do more in the classroom with less time and hassle.

ID	63
Name/Producer	Mobile Serve - mobileserveapp
Age/Grade Level	Grades K - 12, Adult
Academic Subject(s)	Not applicable
Description	App used to track volunteer hours
Technology Applied	Allows for entering in hours, having quick verification from volunteer organization, and allowing for tracking impact
Notable Benefits	Volunteer hour tracking made easy.

ID	64
Name/Producer	Moodle - moodle.com
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	World's most popular learning platform
Technology Applied	Has 135,000 sites, 22,0000,000 courses, and in 230 countries
Notable Benefits	Learning should be accessible to anyone from anywhere in the world, at any time. No matter if studetns are at home, abroad or at another campus, their learning journey can remail consistent, engaging and individualized.

ID	65
Name/Producer	MyScript - myscript.com
Age/Grade Level	Grades 9 - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
Description	Technology to interpret handwritten content; can deploy on touch screens, mobile devices, cars, and interactive whiteboards.
Technology Applied	Text recognition includes mathematical equations, geometric shapes, and music notation - 100 different languages supported
Notable Benefits	Provides optimal, consistent results with any digital writing device; is industry's most comprehensive and accurate text recognition tech.

ID	66
Name/Producer	NorvaNivel - norvanivel.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Innovative educational furniture and agile learning
Technology Applied	Classroom presentation & large group learning, collaborative & library, shared learning, STEAMspace, explicit teaching, staff & administration, individual & reflective, storage, and wall
Notable Benefits	Belief is that every student deserves a learning environment that caters to their individual needs to foster innovation, collaboration, and creativity.

ID	67
Name/Producer	Odysseyware - odysseyware.com
Age/Grade Level	Grades K - 12
Academic Subject(s)	Not applicable
Description	Learning Management System (LMS)
Technology Applied	Provides access to over 300 courses and instructional materials
Notable Benefits	Provides materials in core subjects, enriching electives, CTE courses, college and career readiness, and test prep. to give students a path to success and empower them to take responsibility for their journey

ID	68
Name/Producer	Osborne Technologies Inc. - otinc.org
Age/Grade Level	Grades K - 12, Higher Ed, Adult
Academic Subject(s)	Not applicable
